DNR CO-SPONSORED YOUTH DEER HUNTS - 2008
UPSTATE PRIVATE AREAS – REGION I, UNIT C**

The South Carolina Department of Natural Resources (DNR) and the Upstate Youth Deer Hunt Sponsors have designed the youth deer hunts to strongly encourage more participation by youngsters who have never been deer hunting. Sportsmen's kids are certainly welcome to apply for the hunts but are encouraged to bring with them another youth who has never been deer hunting or has very limited hunting experience. We feel that one of the best ways to recruit "new hunters" is for youngsters who hunt ("youth sportsmen") to encourage one of their friends who doesn't hunt to apply, and then if selected, actually bring them to the hunt. We especially want to introduce these "new hunters" to the challenges, thrills and enjoyment associated with hunting. Equally as important, we also want to make sure that this introduction is done safely and ethically. Both "new hunters" and "youth sportsmen," who wish to apply for these hunts must fully complete and return an application that includes a questionnaire about their hunting experience along with a completed liability waiver form. The applicant and their parent or legal guardian must sign both the hunt application and the liability waiver form.

All DNR co-sponsored Upstate Youth Deer Hunts will be on Saturday afternoons and will conclude shortly after dark. At each hunt, there will be discussions of deer biology and the role of hunting in wildlife management along with comments regarding sportsmanship and hunter ethics. There will be training on marksmanship and a thorough review of firearms safety. Appropriate firearms will be provided for those who need them. Each youth will be assigned a responsible adult to assist and supervise them during the entire event. A meal for all the participants and their parents will be provided after the hunt. More detailed instructions and directions to the hunt sites will be provided to applicants who are selected. If parents have further questions regarding safety, supervision, etc., please contact Gerald Moore, DNR Wildlife Biologist at 864 427-5140 or E-mail mooreg@dnr.sc.gov.

Preference will be given to "new hunters." Also, "youth sportsmen" who sponsor or get "new hunters" to apply with them (applications submitted together) will be given preference. The age requirement for these special youth deer hunts is 17 and younger. There is no application fee or any other costs associated with these hunts except that participants age 16 or 17 must have a Junior Sportsman hunting license and must have completed the SC Hunter Education Course prior to purchasing a hunting license. All hunts will be held on well-managed properties that have high-density deer populations and good hunting success. Young people who have an interest in trying deer hunting but have not had previous opportunities because they lacked a hunting connection should certainly apply. Applications are available from the Union DNR Office or the DNR website at www.dnr.sc.gov/hunting. Applications can also be copied. Completed applications must be received at the Union DNR Office by 5:00 p. m. on Monday, September 15, 2008, to be eligible for the drawing.
